Notice of Action

Name: Basic, Zvonko
Register Number: 03941-158

Institution: Terre Haute FCI

Date: June 26, 2008

As a result of the hearing conducted on April 22, 2008 the following action was ordered:

Parole effective July 20, 2008, after the service of 382 months to the custody of the INS Authorities - only if the detainer is not exercised the Commission shall rehear the case to determine the appropriate release action.

In addition, you shall not return to the United States.

REASONS:

Retroactivity does not apply. Neither your recalculated severity rating (old Category Eight; new Category Eight) nor your recalculated salient factor risk category (old Category Very Good old score Nine; new Category Very Good, new score Nine) is more favorable. This statement means that a finding has been made by the Parole Commission at your hearing that no regulatory or procedural changes have been made by the Parole Commission since your last hearing which would positively affect your case in terms of offense severity or salient factor scoring.

The above is an original jurisdiction decision and is appealable in the Commission under 28 C.F.R. 2.27.

Copies of this Notice are sent to your institution and to your supervising officer. In certain cases, copies may also be sent to the sentencing court. You are responsible for advising any others you wish to notify.
