Dear Fr. Puljic,

Thank you for your recent letter concerning the situation of Mr. Zvonko Busic. The information which you cite in the letter certainly seems to call for more justice in his regard. I was happy to see that Cardinal Francis George has also written.

I will send a letter to Chairman Reilly, more or less in the same vein as that sent by Cardinal George.

Hopefully, this will produce some good results for allowing justice in this case and in helping a deserving man.

With every good wish, I am

Fraternally yours in Christ,

*Theodore Earl Keane*
