Wanted to know whether Basics were about to be paroled. Dec. Vance is traveling to Yugoslavia on Dec 14/15. State wants to be prepared for the reaction if Basics are to be released. After making a few phone calls, I called Hummer back and told her that Zvonko had waived parole on 9-29-79 at Lompoc and that Julienne had been heard on 9-19-79 at Pleasanton but that a parole did not seem likely.
